

6th IFToMM Symposium on Mechanism Design for Robotics MEDER 2024

Timișoara, Romania, June 27-29, 2024

Call for Papers

The aim of the Symposium on Mechanism Design for Robotics (MEDER 2024) is to bring together researchers, industry professionals and students from a broad range of disciplines related to mechanisms and robotics to share the latest developments and discuss the directions for the future of mechanism and robotics research. MEDER 2024 continues a successful series of Symposiums that has been started in Mexico 2010, continued in China 2012, in Denmark 2015, in Italy 2018 and in France 2021. The Conference will be held in Timișoara at the Conference Center and the buildings of Mechanical Faculty of Politehnica University of Timișoara, Romania.

Topics

Papers are solicited on topics related with mechanisms within aspects of theory, design, practice and its applications for robotics, including but not limited to:

- Mechanism design
- Mechanism education and history of MMS
- Theoretical and computational kinematics
- Experimental mechanics
- Mechanics of robots
- Control issues of mechanical systems
- Machine intelligence
- Innovative mechanisms and applications
- Linkages and manipulators
- Micro-mechanisms
- Dynamics of machinery and multi-body systems

Proceedings:

Authors are kindly asked to submit original full papers with recommended length of 8 pages in Springer format. Instructions will be available in the Symposium webpage. All accepted and presented papers will be published in a Scopus indexed book of the Springer Series Mechanisms and Machine Science, with the title: "Advances in Mechanism Design for Robots – MEDER 2024". For each of the three categories (Research, Applications, and Student) three awards (Gold, Silver, and Bronze) will be given to the best papers. Selected papers will be invited with extended version for a Special issue in MDPI Machines Journal and in MDPI Robotics Journal. IFToMM supports three Young Delegates grants after evaluating the applications.

Deadlines

Full paper submission: January 31, 2024
Acceptance notification: March 15, 2024
Final paper submission: April 01, 2024

Registration

Early Registration (before April 15th, 2024):

IFToMM Members 250 Euro

Non IFToMM Members 300 Euro

Regular Registration (after April 15th, 2024):

IFToMM Members 300 Euro

Non IFToMM Members 350 Euro

Students 150 Euro

Accompanying Persons 150 Euro

The registration fee includes the complete program of the MEDER 2024 conference and paper publication.

Accommodation

Timișoara provides accommodation in several hotels of different categories. Early reservation is recommended by directly contacting the Organising Committee Secretariat. A list of hotels will be soon on the site of the conference available.
